JAI VASU

MERN STACK DEVELOPER

OBJECTIVES

I am a MERN Stack Developer with a solid foundation in HTML, CSS, JavaScript, React, Express, MongoDB, and Node.js. Eager to kick-start my web development career through an internship, I bring a strong work ethic, quick learning ability, and a passion for creating user-friendly web applications. I'm ready to contribute my skills and enthusiasm to a dynamic team and gain practical experience in the field.

EDUCATION

Diploma in Pharmacy   2019 - 2022
Rajasthan University of Health Science

My Diploma in Pharmacy provided me with essential knowledge in drug formulation, pharmacology, and safe medication dispensing, emphasizing accuracy and patient well-being.

MERN Stack Course   2023
Way To Code Technologies LLP

My MERN Stack Developer course equipped me with a strong foundation in web development. I became proficient in HTML, CSS, and JavaScript for front-end development and gained expertise in ReactJS. On the back end, I learned to build robust applications with Express and Node.js, while also mastering MongoDB for database management. Through hands-on projects and coding challenges, I developed problem-solving skills and learned the value of effective collaboration in a team setting.

SKILLS

- HTML & CSS
- JavaScript & ReactJS
- MongoDB & Express
- NodeJS
- Communication

LANGUAGE

Hindi   (EXCELLENT)

English   (AVERAGE)
